

Certified Anti-Money Laundering Masterclass

Risk Reward, in conjunction with the Association of Certified Anti-Money Laundering Specialists, is delighted to offer a series of training courses in preparation of the Certified Anti-Money Laundering Specialist examination to appropriate Anti Money Laundering Professionals. This credential is the most respected certification in the industry and is recognized worldwide by employers in both private industry and government.

These 3-day courses are designed to advance the professional knowledge, skills and experience of those dedicated to the detection and prevention of money laundering around the world, promote the development and implementation of sound anti-money laundering policies and procedures and prepare eligible candidates to sit for the CAMS examination.
