

Associate PRM *Masterclass* with PRMIA and Risk Reward Limited

Risk Reward Ltd. has developed training for the internationally recognized Associate PRM certificate program and offers a very comprehensive and intensive course open to the public, including risk managers, banks, institutions and government agencies in developed and emerging markets worldwide.

This **NEW Associate PRM *Masterclass* is delivered globally by experienced risk management professionals.**

Course highlights:

- The concept of risk management and its place in the business, organisation or system
- The overall understanding of the concepts of risk management techniques in a non-quantitative framework
- How 'governance' fits into the concept of risk management
- The concepts of risk and return
- Familiarity with the financial instruments used in risk management
- Interest rate risk and hedging
- Asset-liability management
- Market risk management
- Retail and commercial credit risk management
- Operational risk management
- How performance can be measured
- Enterprise risk management
- Industry standards are best practices of financial risk management
- The positive role that risk management can play

**Book now to reserve your place
and avoid disappointment**

Who Should Attend

The certificate program is intended for staff entering the risk management profession, or those who interface with risk management disciplines on a regular basis, such as auditing, accounting, legal, and systems development personnel who want to understand fundamental risk management methods and practices.

Training Formats

As well as an intensive 3-day expert-led classroom training programme a weekday evening training option is also available. Please contact us for in-house training options.

Exam Details

Exams are available at various locations worldwide. You can choose the date and location that are most suitable for you.
